Standard items shown are available for immediate despatch.

We also specialise in 'Non-Standard' products. Producing scrolls from architects specific designs and regularly replicate products from an original sample or drawing.

The service we provide is often instrumental in helping us obtain prestigious heritage contracts.

GARDEN PRODUCTS

We have a range of quality architectural garden items in stock to finish of your Garden and driveway.

- Reproduced original cast iron lamp posts of excellent quality
- Post boxes stand alone or for building in.
- Bollards 1000mm above ground level for concreting in.
- Cow tail water pumps.

All our items are made to last and are of a durable finish.

Prices and Items available on request.

AUTOMATION & ACCESS SYSTEMS

We offer a wide range of access control solutions to meet customers' specific needs. They include

- Gate opening and closing from the comfort of your car or residence by simple remote fob.
- Timed locking and unlocking at your convenience e.g. (Dusk - Dawn)
- Loop Systems
- Add on equipment for added security such as Intercoms & Keypads.
- Of site access control via your mobile phone.
- Up to 4 years parts warranty

If you are not sure which system is best for you we can help you choose. Contact our sales team to discuss your options.

Our Engineers also offer a yearly maintenance package on all our systems

PAINT

We are proud to be Northern Ireland agents for R J Stokes of Sheffield
Who have been producing quality paint since 1700's.

We carry their semi gloss modified vinyl paint range designed for galvanised steel work. These products have excellent adhesion and provide long term durability with good colour retention. It is touch dry within the hour and overcoatable with decorative gloss patinas.

IT IS A ONE COAT PAINT.
